The following is an examiner's statement of reasons for allowance:

The final rejection mailed 10/27/05 contained an art rejection over U.S. Patent No. 6,040,149 (Kolenick et al.). This application was published on 3/21/2000 and has a filing date of 1/10/1997. It claims benefit to provisional application 60/009,900 filed on 1/11/1996. However, the instant application claims priority and is entitled to benefit of the filing date of parent application 07/650,794. This parent application was filed 1/31/1991. As such, Kolesnick et al. is not valid prior art against the claimed invention and the art rejection will be withdrawn.

Applicant's amendment to claims 57-61 obviates the rejection of record under 35 USC 112, 2nd.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Marianne P. Allen whose telephone number is 571-272-0712. The examiner can normally be reached on Monday-Thursday, 5:30 am - 1:30 pm.
